"Support Apple Tree Project"

at DATCU June 1 through July 31

Come by any DATCU branch in Denton to "Adopt an Apple" from the Apple Tree Back-to-School Project exhibit. The project is organized by Interfaith Ministries of Denton to assist children in the area. Each Apple lists the name of a Denton ISD child living in poverty, along with the school essentials that he or she needs, such as clothing, shoes or supplies. Your participation at any level makes a difference to the community; the Denton ISD estimates that more than 8,000 children enrolled in the district are living below the poverty level as defined by the Federal Poverty Guidelines. Last year, the Apple Tree project touched the lives of 879 children.

Many more need your help!

- Want to shop for a child? Select an Apple, shop for the child, and return your donation to the branch.
- Want to donate now? No postage, branch visit or shopping is necessary to help a child! Simply call a DATCU personal service representative by July 31 to make a transfer from your DATCU account in the amount of your choice. Phone numbers and hours are shown on the last page.

DATCU voted Best Bank/Financial Institution in Denton!

The Denton Record Chronicle recently announced that DATCU won the "Best Banking/Financial Institution" category of the Best in Denton contest. Denton residents were encouraged to vote for their favorite local businesses online or through written response.

This is the first year DATCU has won this category in Denton.

"While we strive to do our best every day, it's wonderful to hear our members and the community say they are pleased with our service. We're excited beyond belief! It is a great honor to serve such a wonderful community," Dale Kimble, CEO of DATCU, said in response to the honor.

DATCU would like to say thank you to everyone in the community for their votes!

Recipe Bing Cherry Coke Salad

FROM PAT SHERMAN
DIRECTOR OF BUSINESS DEVELOPMENT

- 1 #2 can of bing cherries, pitted
- 1 c. crushed pineapple
- 2 pkgs. cherry gelatin
- 2 cans Coca Cola (can use Diet Coke)
- 1 c. chopped nuts

Drain and reserve juice from cherries and pineapple. Add water to equal 2 cups. Bring to boil and pour over gelatin, stirring until dissolved. Cool. Add coke and chill until partially congealed. Add drained fruit and nuts and pour into mold. Congeal.

This recipe and over 500 others are included in The DATCU Family Cookbook. Purchase your copy today for \$20, and support the United Way of Denton County. Contact chedric@DATCU.org.
