#### CHAIRMAN AND CEO'S REPORT

We experienced another stellar year in performance with outstanding gains in growth. Together, we accomplished much including ending 2017 with growth in assets of over \$58 million to \$947,662,544. It was a privilege for the ninth consecutive year to return a bonus dividend to our members for \$1,875,000. We yielded, for the first time in our history, a loan portfolio exceeding \$800 million including a 17% increase in Real Estate loans. Membership also grew 7% to over 95,000 members. This coming year, we anticipate that we will hit significant milestones of over 100,000 members and assets exceeding a billion dollars.

In April of 2017, our eleventh branch location in Corinth opened its doors. In June, we expanded and introduced D&M Leasing offering lower payment options to our members.

We care about those things that matter to you. We understand that convenience is important to those we serve, and therefore introduced new wallet payment options by implementing Apply Pay, Google Pay, Samsung Pay, and MasterPass. In 2018, we will continue to focus efforts on new rewards programs and providing enhanced technology that will make your life easier. We have also commenced construction on two new Denton branch locations.

Our members are enthusiastic about their credit union as evidenced in the numerous awards and accolades we received throughout the year. For the third consecutive year in Best of Denton County Magazine, members voted us "Best Credit Union". In the Star Local News' Reader's Choice Awards, citizens in Flower Mound, Lewisville, and The Colony voted us "Best Credit Union" and readers of the Lewisville-Leader voted us "Best Mortgage Lender". For the sixth consecutive year, readers of the Denton Record-Chronicle named DATCU "Best Financial Institution". We are pleased to note that for the first time, the community also recognized us as the "Best Mortgage Lender". In the Wise County Messenger's 2017 Reader's Choice Awards, citizens of Wise County voted the credit union as the "Best Place to Get a Loan".

While together we have achieved great things since thirteen educators first opened the doors in 1936, to this day we remain committed to our long time philosophy of "people helping people" and to supporting our schools, area nonprofits, and civic organizations. To better strengthen the fabric of the communities we serve, in April, we introduced and implemented the DATCU D.A.S.H. (Donate, Assist, Serve, Help), a new volunteer program for employees.

On behalf of the DATCU Board of Directors and our staff, we appreciate the opportunity to serve you and enrich your life. We are grateful for your membership and support and will always strive to exhibit integrity while working to exceed your expectations.

Respectfully,

Ronald G. Aldridge, Ph.D.

Glen P. McKenzie Chairman of the Board President/Chief Executive Officer

## **AUDITOR'S REPORT**

#### Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of DATCU and Subsidiary, which comprise the consolidated statement of financial condition as of June 30, 2017, and the related consolidated statements of income, members' equity, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

#### Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to

#### Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion of the contract o

In our opinion, the 2017 consolidated financial statements referred to above present fairly, in all material respects, the financial position of DATCU and Subsidiary as of June 30, 2017, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Matters

The consolidated financial statements of DATCU and Subsidiary as of June 30, 2016 were audited by other auditors whose report dated September 100 and 100 are 100 ar29, 2016, expressed an unmodified opinion on those statements.

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The financial data template, as required by HUD, is presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole

#### Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated September 21, 2017, on our consideration of DATCU and the contraction ofSubsidiary's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the result of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering DATCU and Subsidiary's internal
