Corinth Branch Opening - Spring 2017

Travel down Swisher Road near Parkridge Drive & Lake Dallas High School and you'll notice dirt being moved. Why? Because DATCU is in the process of building a new branch in Corinth. We have many members in this area and want to provide a convenient new branch to serve them.

# A Letter From Our CEO

Dear DATCU Members,

I'd like to let you know that after sixteen wonderful years, I will retire at the end of this year.

Over these sixteen years at DATCU, your credit union has grown from \$187 million to close to a billion dollars in assets; our membership has grown from 41,600 to about 90,000 members; and, from four locations to ten locations. We've also built our Administration Headquarters, which should lead us for the next 80 years. DATCU has been recognized as one of the healthiest financial institutions in the country and consistently attains the highest marks from State and Federal regulators. Perhaps one of the most satisfying accolades received is that all the communities we serve have honored us as the "Best Financial Institution/Credit Union" for multiple years. Thank you!

We have an extraordinary management group that has been together for over ten years. I have no concern that the quality of service and strong financial performance you have come to expect will continue on.

I'd like to thank the Board of Directors for allowing me to apply the knowledge I gathered over the last four decades to build a credit union designed for financial success, service to our members, and service to our communities. I want to thank each of you for the work and life experiences you've given me here at DATCU and in all the communities we serve.

Most importantly, I'd like to thank my wife, Pam, who over the years gave me her support and encouragement during the many long days and evenings working to make DATCU the best credit union I could possibly build. North Texas is our home and we look forward to the years ahead.

Thanks for the memories!

*Dale Kimble*
