From Your CEO

What's your financial condition?

Dear valued member and friend,

Every January it seems that our focus turns to losing weight and getting in shape. There's certainly nothing wrong with that New Year's resolution, but what about your financial condition? Is it something you even think about, plan, or periodically review? We sure hope so ... but if not, we want you to know that we're here to help you. At absolutely no cost, we encourage you to come in and spend a little time with us reviewing your fiscal health. You don't even need an appointment!

We'll review your credit report, the interest rates you're paying, credit card rates, and even your home and auto insurance rates. You see, as your friend and your credit union, we want to help you save more of your hard-earned money. If there is a way that we can help you save more, we'll make recommendations and discuss potential options. It's something we do with many of our members because it's just plain smart. We still believe that every single penny does add up – especially over the long term.

It's a perfect way to start your new year. Remember, we care about you and consider it a privilege to serve you. Drop by any one of our convenient branch locations or give us a call at (940) 387-8585.

Wishing you a new year filled with many blessings.

Sincerely,
Dale Kimble

Holidays Left You Feeling a Bit Stressed With Too Many Monthly Payments?

If so ... a debt consolidation loan may be the solution

A debt consolidation loan usually has a fixed interest rate that is often lower than the overall interest rate you are currently paying on high rate credit cards, etc. By consolidating debts into a single loan...

- We may be able to lower your overall interest rate and SAVE you money.
- We may be able to lower your overall monthly payment.
- We may save you money from fewer service fees.
- Fewer payments to make gives you more time for what's really important.

We want to help you!

Think of it as the implementation of a plan to pay off your debt. Call us today at (940) 387-8585.

Your Credit Union is Growing!

Two very exciting projects

In the last few months, we have broken ground on two very exciting projects in the future of your credit union. On September 24th, we broke ground on DATCU's new corporate headquarters.

It will be located on a prime Interstate 35E location near Corinth Parkway next to American Eagle Harley Davidson. The 52,000 square foot two story administrative facility is expected to be completed in the first quarter of 2016. It will house approximately eighty back office employees including the executive team, accounting and finance, compliance and training, lending support, information technology, human resources, marketing, real estate support, and the virtual call center branch.

DATCU's executive team, board members, employees, Corinth city officials and many others were in attendance for the ground breaking ceremony.

Highland Village

Highland Village

Headquarters

A few weeks later on October 15th, we celebrated the ground breaking of our new Highland Village location at the corner of Briarhill Blvd. and FM 407 - Justin Road.

"We are extremely happy that DATCU has the opportunity to serve our current and future members of Highland Village by expanding into this area of Southern Denton County. We are so humbled to have received such a tremendous response and warm welcome from the city" stated Dale Kimble, DATCU's Chief Executive Officer.

The Highland Village branch will be managed by Holly Johnson who is the current assistant manager of DATCU's Lewisville location. This branch is expected to open in 2015.

DATCU Celebrates Member Appreciation

Over 400 hot dogs with all the trimmings were served to our members on Thursday, November 6th. The weather was lovely as our executive team served our members. We know you have many choices for a financial institution partner and we're honored you chose DATCU.
We appreciate our members!
